1.5 Minimum Deposits and Balances

There is no minimum deposit required to open an Account and no minimum balance you need to maintain in your Account.

1.6 Interest Disclosures

The interest rate and annual percentage yield on your Account is variable. This interest rate and annual percentage yield may change from time to time. The interest rate on your Account is based on the midpoint of the federal funds rate target range¹ as established by the Federal Open Market Committee of the Federal Reserve, multiplied by 80%, then multiplied by 75%. You can access the current interest rate applicable to your Account through the Online Banking Services or by contacting us as specified in Section 1.1 above.

Interest on your Account will be compounded and credited on a monthly basis. If you close your Account, you will receive any interest that has accrued as of the date your Account is closed.

We use the daily balance method to calculate the interest on your Account. This method applies a daily periodic rate equal to 1/365 of the interest rate to the collected balance in the account each day. Interest will begin to accrue no later than the next business day following the banking day on which the funds were deposited.

1.7 Confidentiality and Our Privacy Policy

Information about your Account and your transactions is collected pursuant to the Agreement. The Program Partner’s privacy policy is available at <https://www.zeni.ai/legal/privacy-policy>.

¹ The federal funds rate target range is published on <https://www.newyorkfed.org/markets/reference-rates/effr> as the Federal Funds - Target Rate.

You must make a deposit immediately to cover any negative balance, including a negative balance resulting from an overdraft. If your Account has a negative balance for sixty (60) calendar days or more, we may close your Account. We reserve the right to close your Account at an earlier date, as permitted by law.
